Bread & Roses Presents Backstage 365 Club

It is hard to describe the impact that we have at each institutional show, over 600 programs each year. Through our new **Backstage 365 Club**, we invite our supporters to experience first-hand the heart-to-heart connection between artist and audience that is the essence of every Bread & Roses show. Club members will receive many exclusive invitations to behind-the-scenes events as well as special merchandise and much more, all while supporting hope, healing and joy through live music 365 days a

year! **Help us spread the word about the club so we can continue to bring live music to those who need it most.**
